

# Event Organization & Management

## How do I notify members of event changes?

To notify members of event changes, follow these steps:

1. Go to the Admin Tools tab at the top.
2. Go to Event Calendar under the Organization Management heading.
3. Click on the event on the calendar that you'd like to edit.
4. Click on the Edit button. For a recurring event, select if you'd like to event all corresponding events or just that event.

5. Edit the event as needed.
6. Select the checkbox titled Notify members again about this event.

**Notify members again about this event**

7. Click on the Update Event button.

**UPDATE EVENT**
