Build Your Organization Website

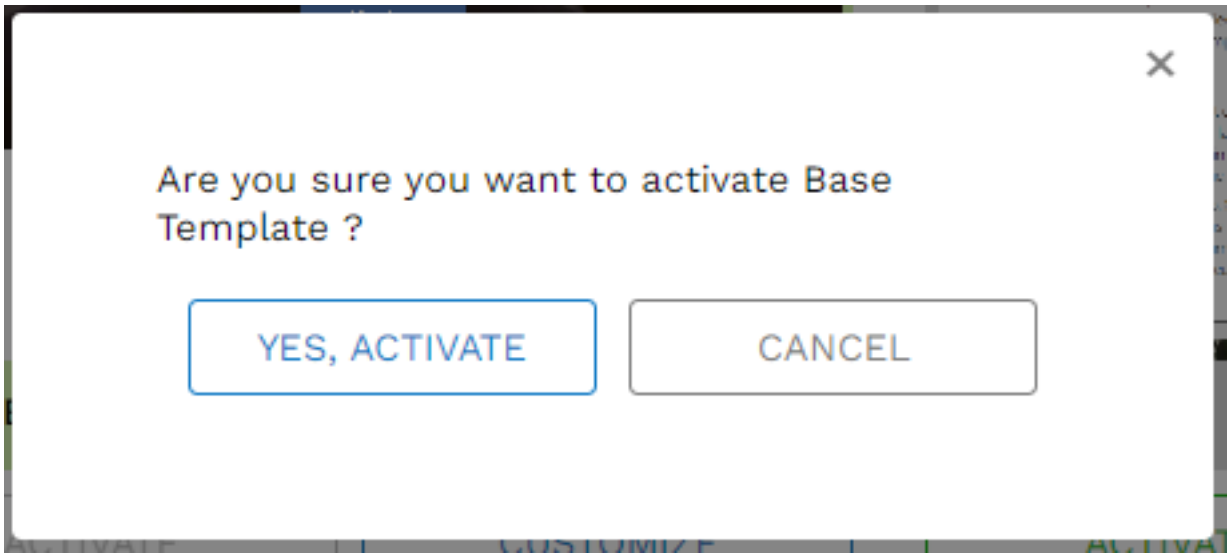

How do I change my website theme?

To select a new theme for your website, follow these steps:

1. Go to the Admin Tools tab at the top.
2. Go to Theme Manager under the Web Builder heading.
3. Click on the green Activate button to select a new theme for your organization's website.

4. Click on the blue Yes, Activate button. If you've selected the wrong theme or no longer want to change your organization's website's theme, click on the gray Cancel button.
