Website Page Management

How do I add a page to my website?

To add a page to your website, follow these steps:

1. Go to the Admin Tools tab at the top.
2. Go to Pages under the Web Builder heading.
3. Click on the green Add Page button.

4. Fill in the following fields for your new website page:

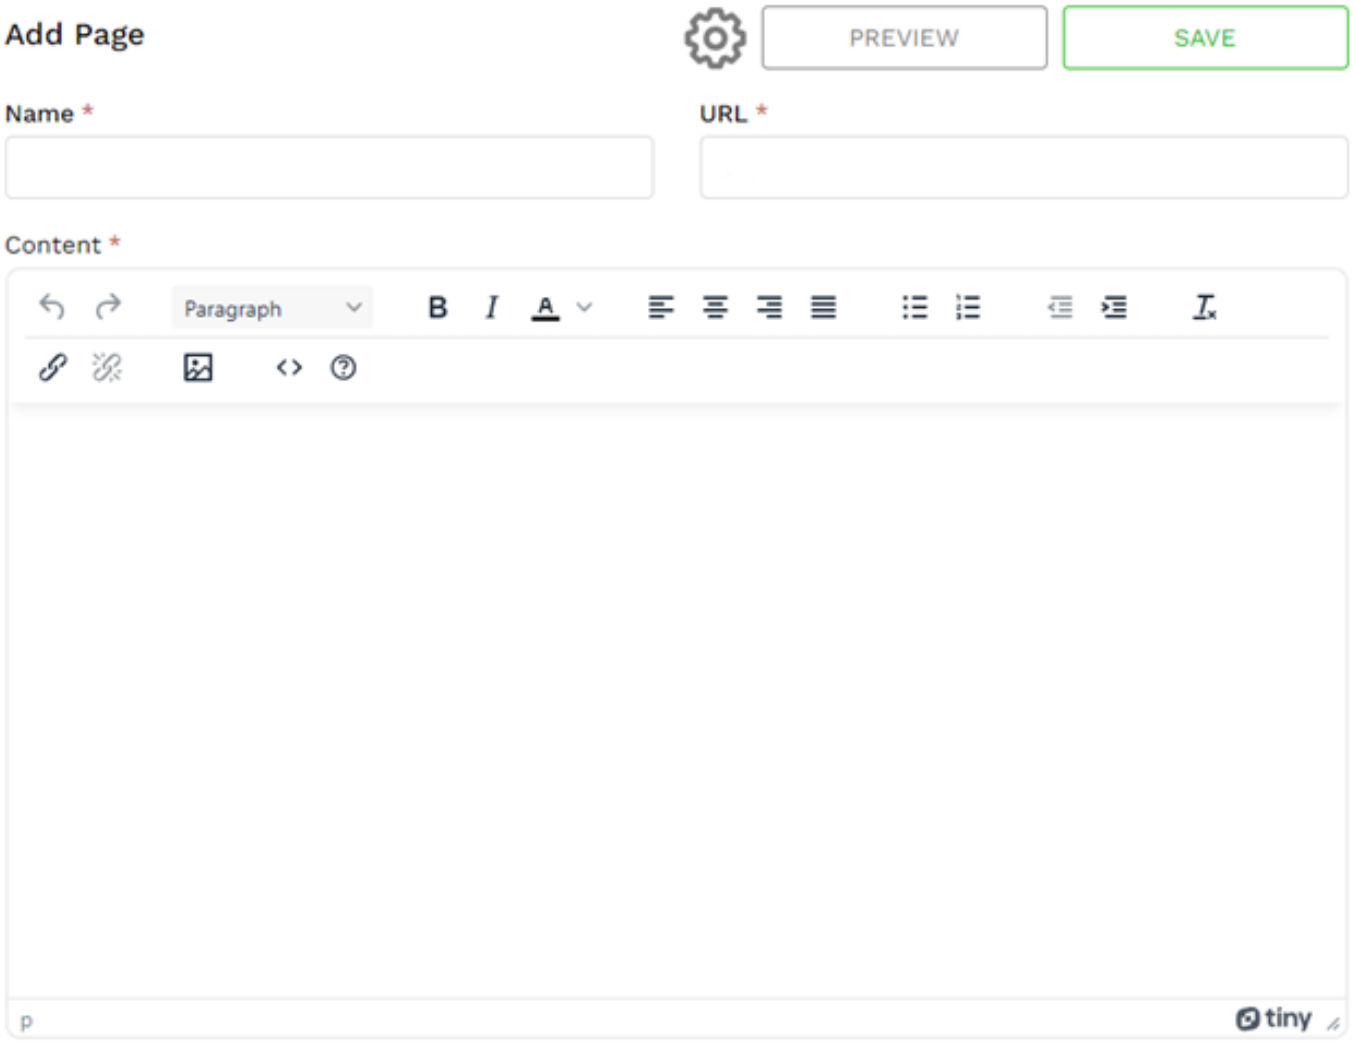

a. Name

b. URL-will already include your Biznomos URL, so you'll just need to add the URL extension.

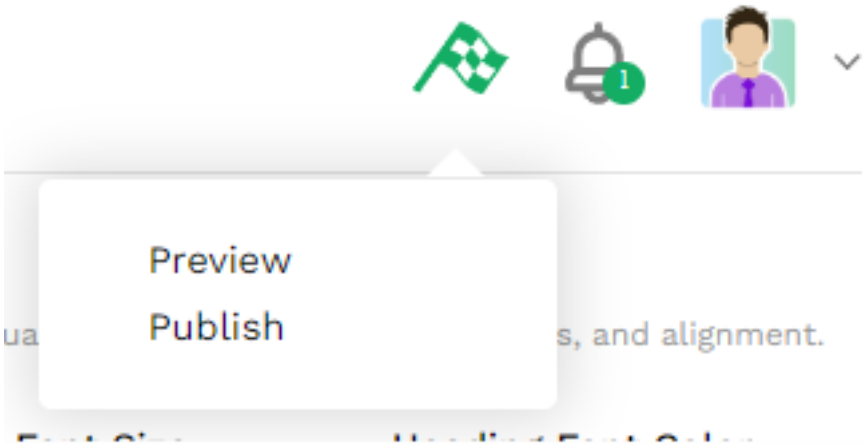

c. Content

5. To preview your new page, click on the gray Preview button.
6. Once you're happy with the content of your new page, click on the green Save button.
