The image shows the TinyMCE rich text editor interface. The toolbar includes a Paragraph dropdown menu, Bold (B), Italic (I), Underline (A), and other formatting options. The main content area is empty. A notification bell icon with a green checkered flag is visible in the top right corner of the editor.

6. Preview changes by clicking on the gray Preview button.
7. Once finished, click on the green Save button.
8. To publish changes, click on the green checkered flag icon beside your notification bell icon and select Publish. All changes must be published to be shown on the public-facing website.
