Website Page Management

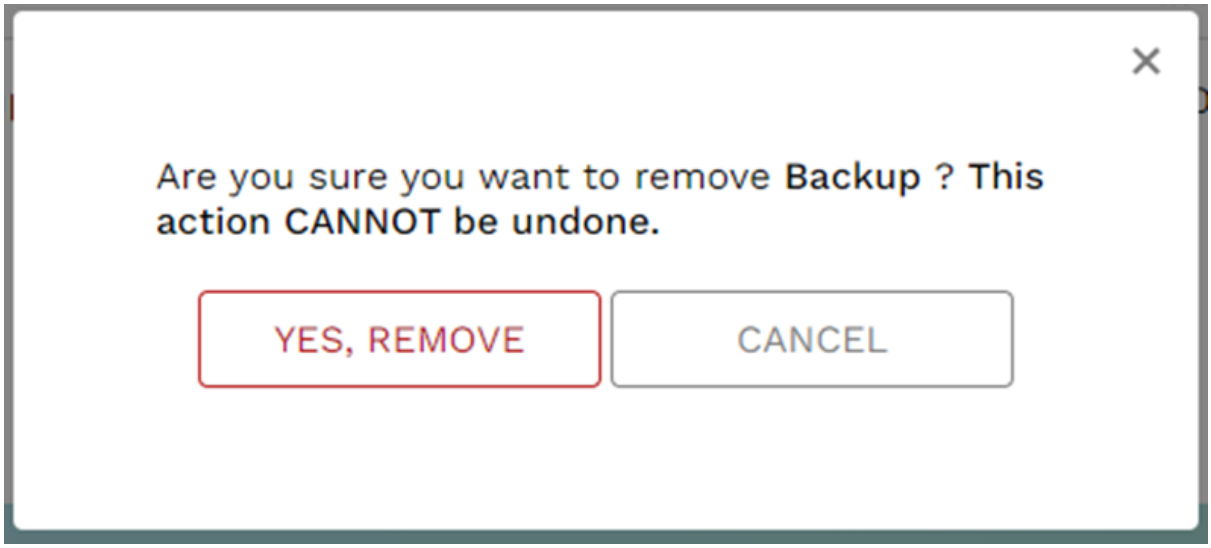

How do I delete my website backup?

To delete your website backup, follow these steps:

1. Go to the Admin Tools tab at the top.
2. Go to Website Backups under the Web Builder heading.
3. Click on the red trash bin icon on the far right.

4. Click on the red Yes, Remove button. If you no longer want to delete your website backup, click on the gray Cancel button.
