Image Collection Management

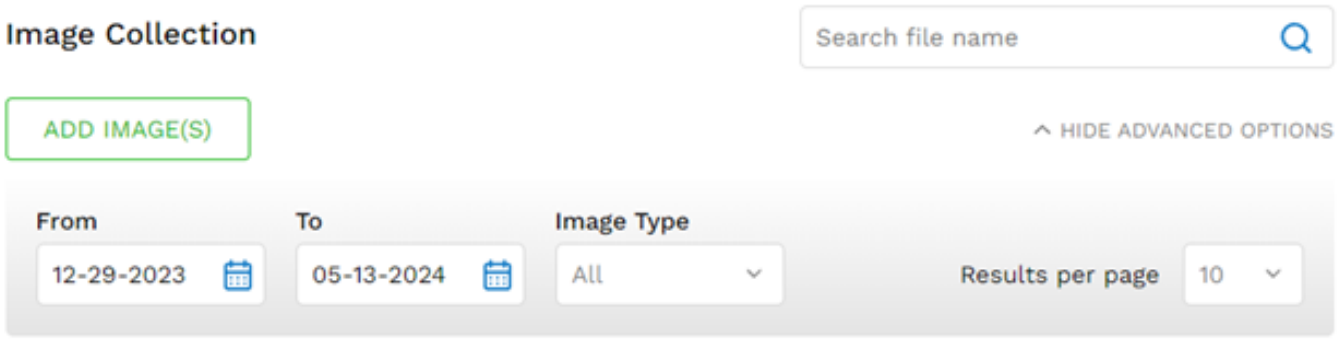

How do I view an image from my website's image collection?

To view an image from your website’s image collection, follow these steps:

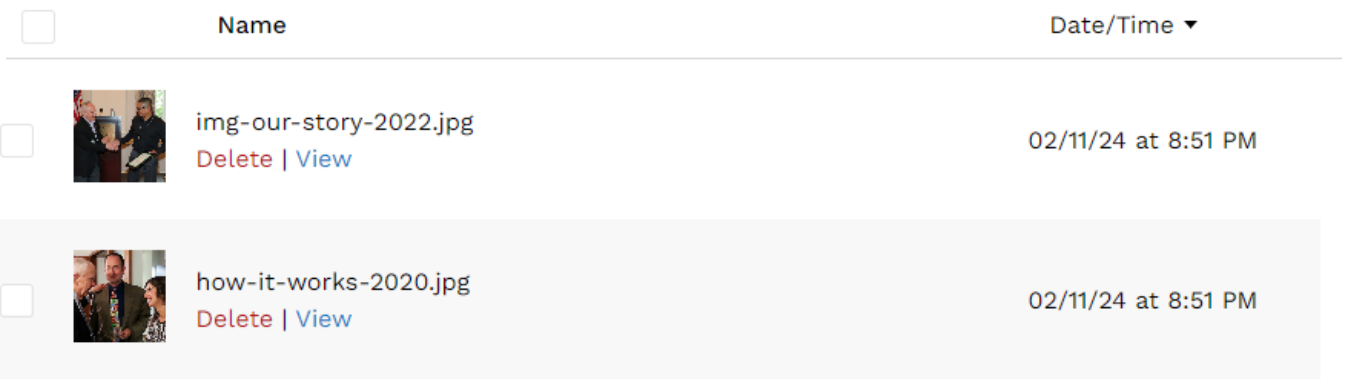

1. Go to the Admin Tools tab at the top.
2. Go to Image Collection under the Web Builder heading.
3. To find the image you’d like to view:

a. Search using the file name via the search bar.

b. Filter results by the date and/or image type by expanding the Show Advanced Options arrow.

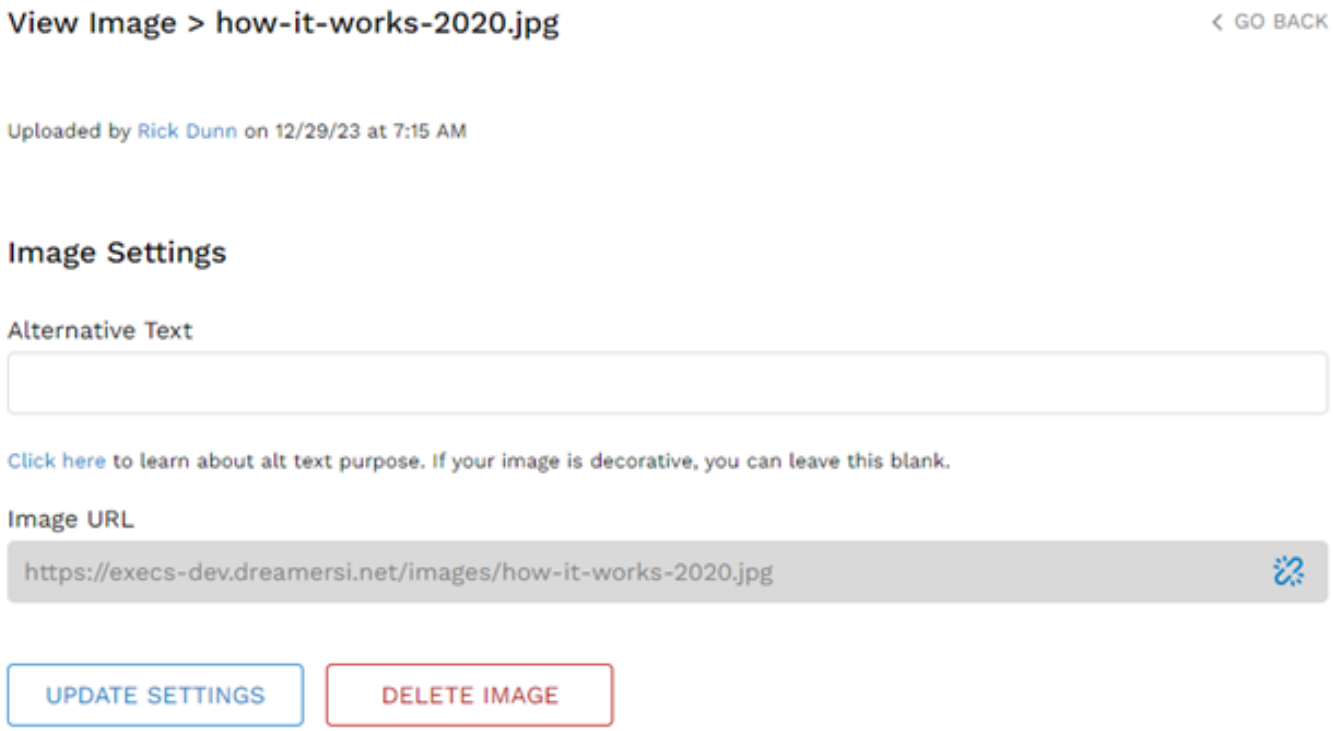

4. Click the blue View button underneath the image you’d like to view.

5. Click on the paperclip icon on the right of the Image URL.
