Election Center Management

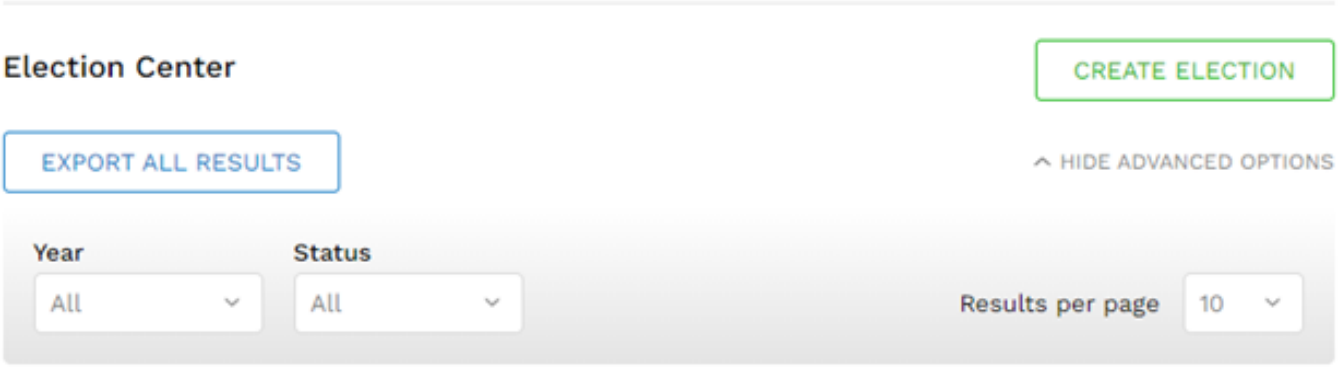

How do I export election results?

To export election results, follow these steps:

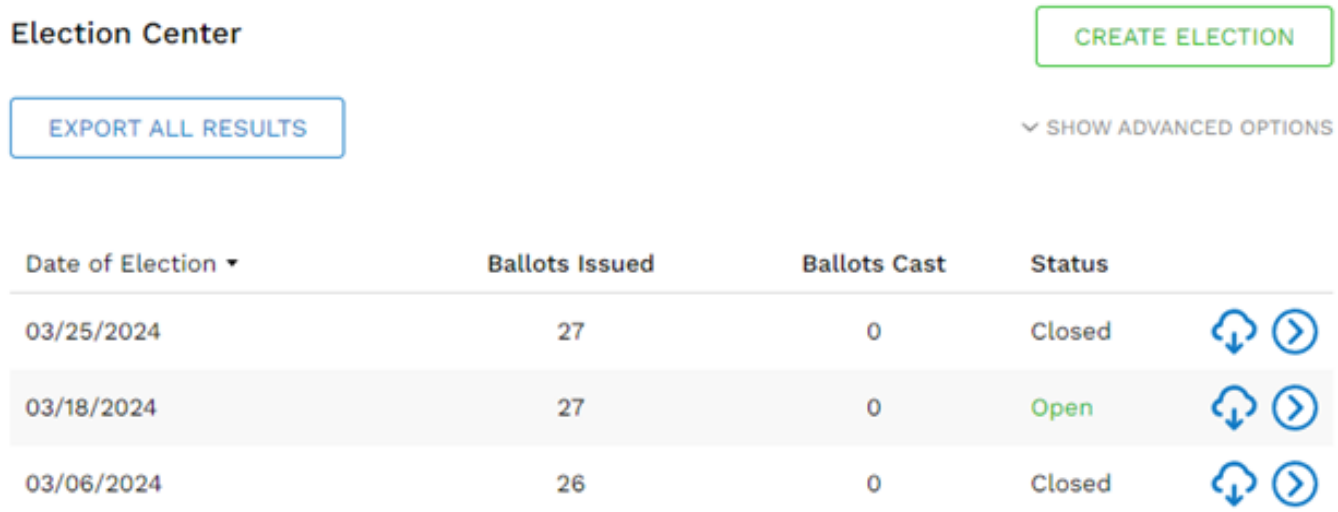

1. Go to the Admin Tools tab at the top.
2. Go to Election Center under the Organization Management heading.
3. Select which poll you'd like to export results for. To search for a poll, expand the Show Advanced Options arrow and filter results by:

a. Year

b. Status

4. Click on the blue arrow icon.

5. Click on the blue Export Results button.
