Calendar App Integrations

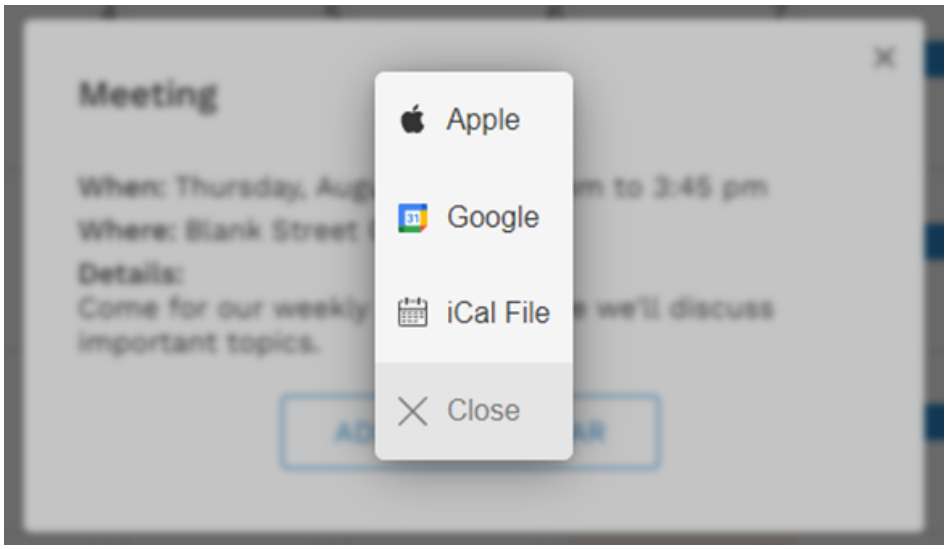

How do I add an event to my Thunderbird Calendar from my Event Calendar?

To integrate association group events into your Thunderbird Calendar from the Event Calendar, follow these steps:

1. Go to Event Calendar in the left navigation bar.
2. Click on the event you'd like to add to your Thunderbird Calendar.
3. Click on Add to Calendar.

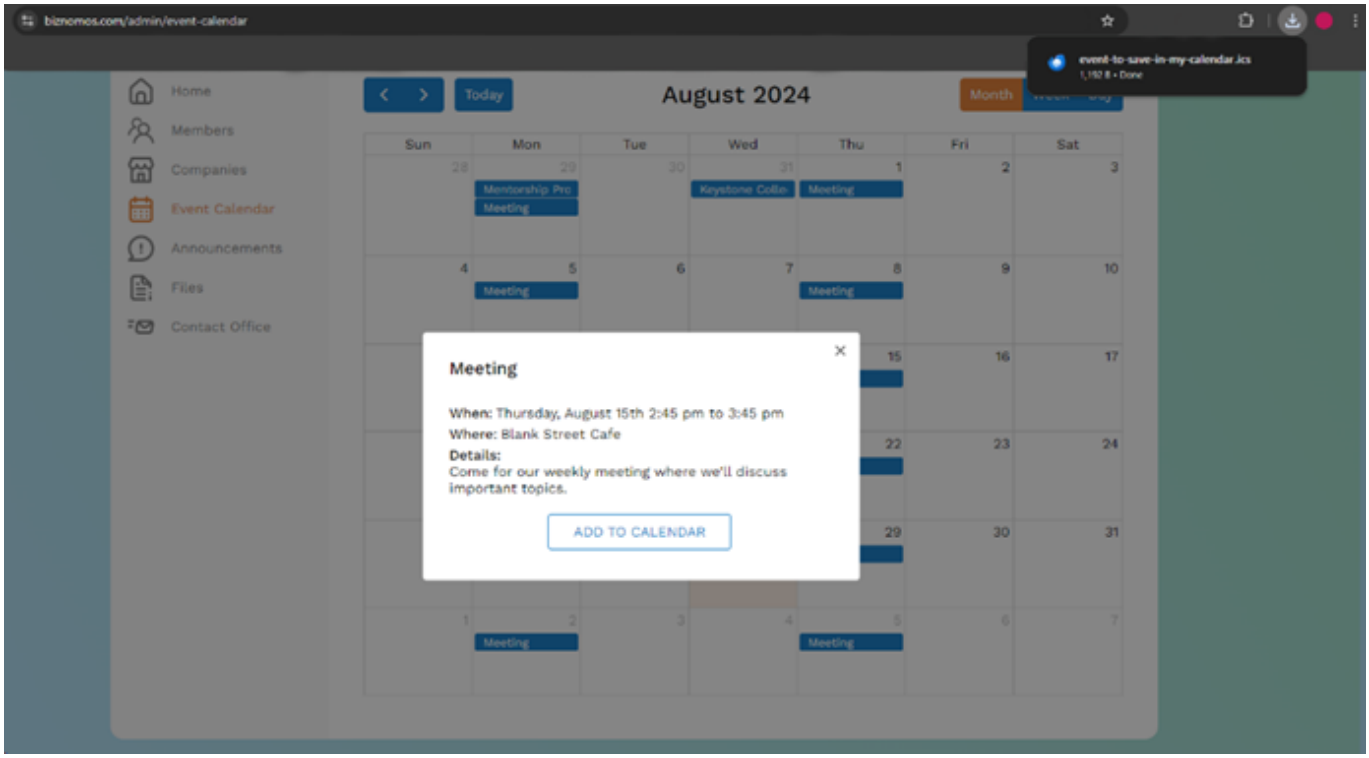

4. Select iCal File from the pop-up window, which will download the event as an iCal file.

5. Click on the iCal file from your downloads.
