## How do I add an event to my Outlook Calendar from my Outlook email account?

To integrate association group events into your Outlook Calendar from your desktop, follow these steps:

\*If you're an admin member creating the event, please select the option to notify members as integrating events into Outlook Calendar will come directly from the email notification.

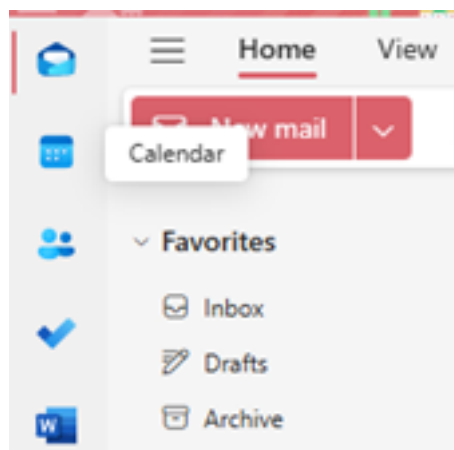

1. Open the event notification email in your Outlook email account.
2. At the top of your email, click on the down arrow on the .ics file.

3. Click on Add To Calendar.

4. Open your Outlook Calendar by clicking on the calendar icon on the left side.

5. Then you'll see the event in your Outlook Calendar.
