

Organization Management

How do I set organization specifics?

To set organization specifics, follow these steps:

1. Go to the Admin Tools tab at the top.
2. Go to Organization Settings under the Organization Management heading.
3. From here, update your organization settings:
 - a. Change your organization's Name
 - b. Change your organization's Logo
 - c. Update, rearrange, add, or remove email address(es) from the Contact Office Email Address
 - d. Update, rearrange, add, or remove the email address(es) from the Referral Submission Email Address
 - e. Change Time Zone
