

Organization Management

How do I delete a custom field?

To delete a custom field, follow these steps:

1. Go to the Admin Tools tab at the top.
2. Go to Custom Fields under the Organization Management heading.
3. Click on the red trash bin icon on the far right of the custom field you'd like to delete.

Custom Fields

ADD CUSTOM FIELD

Name ▲

Applies To

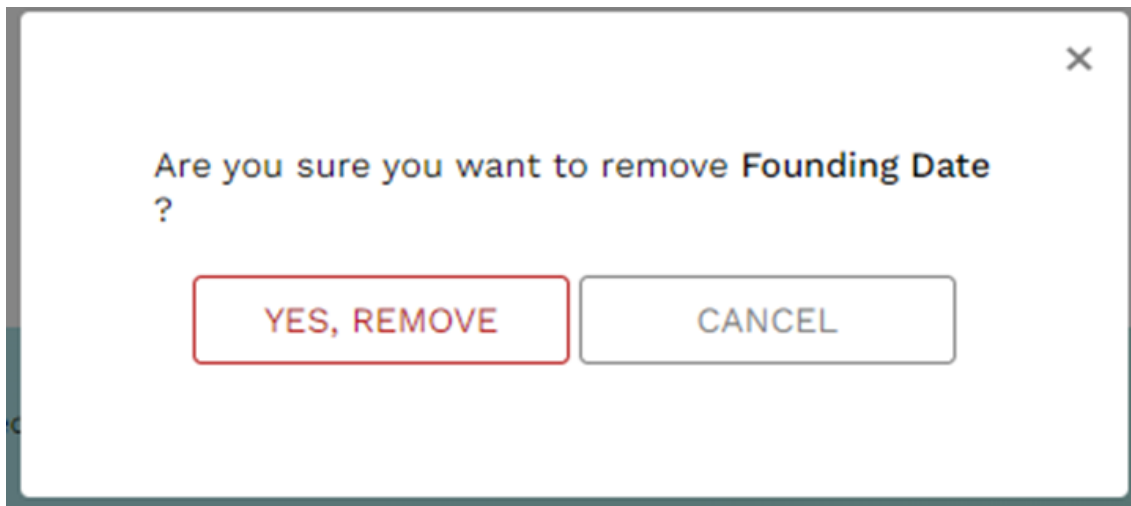

Required?

Founding Date

Companies

4. Click on the red Yes, Remove button. If you no longer would like to delete the custom field, click on the gray Cancel button.
